Thank you for choosing Insurcomm, Inc for your restoration needs. We understand that no one is ever prepared for a loss on their property, but we are here to help you to understand the process. Listed below is a brief outline of what you can expect to happen.

- A project manager will be assigned to your loss and will be your main point of contact. If you are having mitigation and reconstruction done, you will be assigned a project manager for each process.
- If your property needs Reconstruction, we will be writing an estimate for repairs upon completion of Mitigation services, and will be submitting it to the insurance adjuster. For the majority of losses the estimate will be complete and submitted within 7 days of inspecting. If it is a large or complex loss and requires more time for estimate completion, the Project Manager will communicate a realistic timeline with you.
- Once the estimate for reconstruction is submitted to the insurance adjuster, there is typically a period of time the adjuster takes to review. Upon adjuster approval of the estimate, we will send you a contract requiring a 25% deposit with payment terms. Once the contract is executed and we receive the deposit, we will put your job on the calendar and create a critical path schedule so you know what to expect.
- We will work directly with your insurance company and adjuster to reach an agreed figure, within industry standards, to complete the project and to return your property to what it was prior to the loss.
- We will bill the insurance company directly on your behalf. There are times when the insurance company will send the payments to you, the insured. If that should occur, please sign the check over to Insurcomm, Inc. and we will give you a paid receipt for your records.
- Your only personal financial responsibility for the claim is your deductible, which is paid directly to us. The only time you would be responsible to pay above your required deductible, would be in the event that you request upgrades or additional private work. A separate contract will be required for this service as agreed upon by you and your project manager and is to be paid in full upon agreement.
- Upon hiring Insurcomm, Inc. we require you sign a *Work Authorization* form. This simply states that you allow us to perform all services necessary to fulfill the restoration of your property. This also allows your insurance company to pay us directly.
- We will do our best to work directly with your insurance company. Although you have signed an authorization for a direct payment to Insurcomm, payment is at the discretion of each insurance company. There may be a time when you need to reach out to your adjuster and/or your insurance company regarding payment of your invoice. Your assistance in helping Insurcomm get paid in a timely manner will help you avoid unnecessary late fees and charges.
- Upon completion, we ask that you complete a *Certificate of Satisfaction* form which will be provided to you.

On the following page you will find a few key terms that you will hear throughout the restoration process. Please feel free to call at any time if you should have any questions or concerns.

We know that any property damage can be painful to deal with. Thank you for putting your trust in Insurcomm to get you back to normal!

Sincerely,

Insurcomm, Inc.

Key Terms

Please keep in mind that not all of the following information may apply to your individual circumstances.

Note: Please remember to read all forms thoroughly before signing.

Forms

Work Authorization

This form must be signed before we can start any work, including any clean-up and stabilization. It provides your legal authorization for Insurcomm, Inc. to handle your mitigation and or repairs.

Certificate of Satisfaction

Upon completion, your signature on this form indicates that you are satisfied, that all work within the insurance scope has been completed and that the insurance company is authorized to issue any remaining payment.

Other important information

Advance

You may receive an advance from your adjuster at the beginning of the claim. Please let us know if/ when you receive this advance so we may communicate with your adjuster. This way all parties are clear as to what the advance is intended for.

Deductible

This is the amount you must pay out-of-pocket before your insurance company will pay for any repairs/ reconstruction covered under your policy. This payment is expected when the contract is signed unless prior arrangements have been made with the Project Manager. This good faith payment assists us in releasing the monies and manpower to begin your project.

Recoverable Depreciation or Holdback

This is an amount your carrier retains until work is complete and proven to be. We will deliver a final invoice and signed certificate of satisfaction at the completion of work so that they can then release the remaining funds. If there is a holdback on your claim, this payment may be sent directly to you. **Just as with any other payments you may receive, please call our office to inquire if your account still holds a balance.**

Mortgage company and Lienholder documents

Your mortgage company may provide you with documents that we are required to complete and sign. Please forward these documents to our accounts receivable department (lisa@insurcomm.com) as soon as possible. We deal with mortgage companies on a daily basis and can work to make the process more efficient. We will comply with your mortgage company's requirements and make sure they get them on your behalf. Lisa can be reached at 603-430-7701 or lisa@insurcomm.com

Frequently Asked Questions

Please keep in mind that not all of the following information may apply to your individual circumstances.

Note: Please remember to read all forms thoroughly before signing.

Q: How Much Will This Cost?

A: Each loss and claim is different. In most cases, your insurance policy will cover the cost of the work minus any deductible that you have. However, there are some instances when this is not the case. We will work directly with you and your insurance in these particular instances.

Q: What Should I Expect?

A: Insurcomm is available 24/7 with an on call crew should you experience a loss outside of normal business hours. We immediately assign a project manager who will work directly with you throughout the duration of your loss. If your loss requires reconstruction a construction manager will also be assigned to you. If any of your contents need to be moved or cleaned we will take care of this at our state of the art facility.

Q: What Type Of Projects Do You Do?

A: Insurcomm handles both commercial and residential properties. We mitigate and reconstruct any property that has experienced damage. Projects can range from minor residential losses to major losses impacting various commercial property.

Q: How Long Does It Take To Begin?

A: Once you experience any loss our mitigation crews will begin cleanup right away. We begin immediately in order to avoid any further damage. From there, contents cleaning, moving and storage will take place. If you need reconstruction completed we will assign a construction project manager who will outline a timeframe for you.

Q: How Does This Work With The Insurance Company?

A: First and foremost, we work for you! We do not work for the insurance company. As soon as you experience a loss we work directly with you as well as your insurance company to make sure that what needs to be taken care of is covered in your claim. We have long standing relationships with various insurance carriers, agents and adjusters which will help your claim go smoothly.

Q: Are You Licensed?

A: Yes, Insurcomm is fully licensed to perform all of the services that may be required to perform throughout the duration of your claim.

Q: Are You Insured?

A: Yes, Insurcomm is fully insured

Q: How Do I Determine If I Should Use Insurcomm?

A: Insurcomm has been in business since 1996 and has a number of references from previous customers which are always available upon request.
